Newsletter for the Poppleton Dental Practice

September 2010

## Welcome to David

We are pleased to announce that we have appointed a new associate David Barden who will be joining us part time from the middle of September. He is a Leeds Dental School Graduate and has previously been working the other side of the Pennines in Manchester and more recently back in Leeds.

Outside work he is a keen sportsman having played rugby from a young age. He has played for Lancashire Schools and at club level for Sale Rugby Football Club and now he is 1st XV vice captain for Leodiensians. In keeping with the dental tradition he can often be found on the golf course where he plays off a handicap of 12.

David says "I am very much looking forward to joining Martin, Rebecca and the rest of the team. I am excited about the modern facilities available at the practice and continuing the high level of care provided here. I look forward to meeting you soon."

## Mad as Hatters

On July 8th we had lots of support for our Mad Hatters Tea Party serving our last cup of tea and jam tart late on in the afternoon. Everybody enjoyed themselves with the fancy dress even if some patients were a bit worried that Rebecca was going to announce another pregnancy, luckily she did remove the pillow at the end of the day! We managed to better last years total and raised a wonderful £480. We are already looking forward to next year and searching for different ideas for the theme.

## Mouth Guards

With the start of a new school term please consider a mouth guard essential for your child if playing hockey, rugby or a similar sport.

Please contact the surgery for further information or to make an appointment.

## New team member

As our dental team expand, and with the increasing number of new rules, regulations and red tape, we have found an extra team member to help called Susan (a Trainee Dental Nurse).

## Winners

Winners of the raffle: Mrs Hollier, Mr Holden, Mrs White, Mr Downs, Mrs Livingstone, Mrs Jessop, Mrs Connolly and Mrs Roberts

The Winner of the guess the weight of the cake was Mrs B Hetmanski. We hope she enjoyed Martin's baking delight.
