Bryony Rides off into the Sunset

I have given up my job and my home to embark upon an adventure, My plan (what plan?) is to travel to America, specifically the old west, and join the cowboys on the trail rides across the mountains, to see the sun rise and set, from my new office (an old western saddle upon a trusty steed), to meet the real people and see the real places off the beaten track.

My boyfriend, Caleb and I flew to Cody, Wyoming, USA on the 1st May to look after the guests and wrangling the horses for the summer season. After a visit to the UK to attend my best friend's wedding in September we fly from LA to Fiji for a week or two's holiday on the way to Australia. We will land in Sydney mid 2012 so Caleb can get home to see his friends and get back to work (on a cattle station). I am mostly planning on working on the station, but I may look into converting my hygienist qualifications and getting back to 'real life' working in Australia.

I would like to take this opportunity to thank the staff and patients at Poppleton Dental Practice, who have welcomed me so warmly over the last 12 months. I will be sad to go and will miss you all. xxx

Donna Arrives

I have been in dentistry for around 12 years initially a dental nurse then later on in my career I graduated from Leeds Dental Institute in 2008 and now working as a hygienist/Therapist. I relocated to London briefly where I worked for about a year but was home sick so came back to York!

Outside of work I have a keen interest in sport and in particular Rugby League. I am a season ticket holder for the Castleford Tigers and go whenever possible, I also have a soft spot for St Helens! I have also volunteered for RSPCA in the past which I would like to continue with but I'm going to be quite busy now!

I am looking forward to working with the great team at PDP and I look forward to meeting you all soon!

New team member

We are pleased to welcome Danielle, a qualified Dental Nurse and Oral Health Educator, to the practice. She qualified in 2007 in East Yorkshire, and has recently had a year out travelling through Australia and South East Asia, but she is pleased to be back in the dental field once again.

Success for Rebecca

Rebecca is pleased to have passed her Level 2 in British Sign Language. She is continuing to study and is looking forward to using her new skills at work.
