## Coffee & Cake for a Good Cause

Many thanks to all of you who joined us for our Macmillan Coffee morning, where a great time was had and plenty of cake was consumed. It was lovely to see so many people popping in. The raffle was won by Mr Ferguson – congratulations! We raised £261.50 for Macmillan on the day and are already looking forward to a bigger and better Coffee morning next year.

## Welcome back!

We'd like to say a warm welcome back to Dental Nurse Gemma who has returned to work part time after maternity leave. As you will remember from our Spring newsletter, Gemma's second daughter, Isla, was born in February this year. We are so pleased to have Gemma back on the team.

## Refurb and Aquacut update

We do apologise for the disturbance over the summer time due to Alison's surgery being refurbished. It's nearly all finished and we are delighted with it. This refurbishment is just part of the continuing investment in the practice, which includes the new compressor.

Our most recent piece of new equipment is the Aquacut air polisher machine. Air polishers use special powders, along with air and water, to clean teeth. Our hygienists have been able to use this to help remove stubborn staining and create lovely white smiles. The Dentists in the practice may also be using this machine to help during fillings and for some crown and bridge work. If you are interested in knowing more, do call the practice for information.
