Going for Gold

Dentaid Dressing up day 27/07/2012

In July we intend to continue with the successful dressing up day. In 2012 the theme just has to be based on the Olympics. This time we will run a competition for the best dressed patient who calls in at the practice during the day.

Welcome to the team

Claire Berry is a Dental Hygienist who joined the team in September to replace Donna on a Tuesday and Wednesday. Claire served 6 years in the Army in which time she trained as a Dental Hygienist at the Defence Dental School in Aldershot. She recently left the Army as a Corporal to have a baby boy before joining Poppleton Dental Practice and finally getting to settle in one place with her family. Claire is a keen runner who likes to compete in local races and her resolution this year is to take part in a half marathon at the end of the year. Claire is very enthusiastic about her job as a Hygienist and very much enjoys working with all the team at Poppleton Dental Practice.

Welcome Back

Following her maternity leave Gemma has returned to work on a part-time basis.

Yorkshire in Bloom

This year The "Poppletons" are considering an entry in the Yorkshire in Bloom competition.

To help, Poppleton Dental Practice will be providing some tubs planted with flowers at the practice to provide a floral display.

We hope our efforts will brighten our corner in Upper Poppleton.

Footnote

Martin is pleased that the operations on his feet carried out before Christmas has been successful.

He has just returned to work and thanks Sandra, David and Rebecca for looking after patients and the practice during his enforced absence.
