Newsletter for the Poppleton Dental Practice

November 2012

## Welcome to Alison

Alison Byrne will be joining us at the practice on Tuesdays, Wednesdays and Fridays. She graduated from Cardiff in 1988. After qualifying she moved to York where, with the exception of one year working as a dentist in Australia, she has worked ever since. Alison is married with two teenage children and lives in Askham Bryan. Outside work Alison enjoys gardening, keeping fit and looking after her hens. We are really pleased that she is bringing her great dental experience to our Poppleton Team.

## Men at Work

The Garage opposite the practice has been demolished to make way for a new cul-de-sac with 9 houses. This will obviously lead to an increase in traffic as the building takes place. We would like to advise patients to allow more time for arriving for appointments.

## A fond farewell

After more than two years it is time for us to say goodbye to our dentist David Barden. He will be working till mid December but then he is taking up a full time position in a practice the other side of Leeds. We would all like to thank him for his hard work and cheery smile and wish him well in his dental and rugby endeavours.

## Going for Gold, gone

We would like to say a big thank you to everybody who supported us in our Dress Up for Dentaaid Charity Day. Our Olympic theme helped us to raise £250 which Dentaaid uses to improve the oral health of disadvantaged communities around the world. Just £1.70 will treat a person at an outreach clinic in Bangladesh.
