Refer a friend

We are now taking on new patients at the practice and would like to remind patients of our 'Refer a Friend' cards. Please ask at the surgery if you know of anyone who would value our services. This card will entitle your friend to £20 off their first visit and also a gift for you.

Website & Facebook

We have updated our website to make it easier to use on smart phones and tablets. Go to www.poppletontentalpractice.co.uk and take a look. Don't forget to like us on Facebook, it's a great way to get regular updates, interesting dental facts and helpful, healthy tips as well as exciting competitions.

Thank you

We would like to thank everyone that attended Martin's farewell afternoon on the 7th of May, celebrating his 42 years in the dental profession.

We had a delightful afternoon filled with drinks and nibbles. Patients, family and friends came into the practice to wish Martin all the best in his retirement. We presented Martin with a beautiful watercolour of the practice and his famous Porsche which was painted by a local artist. He was also given a

comments book in which patients have been writing kind messages to thank him for his years of service.

The event was attended by the York Press who printed a wonderful article and photo of the event showing Martin surrounded by patients, family and staff. The practice had a fabulous afternoon and we were very grateful for everyone who turned up and for all the gifts, cards and kind words. He has started his official retirement now and we all wish him well for the future.

Twins

We are pleased to announce the exciting arrival of our hygienist Katie's twins Sebastian and Edward. They were born on the 9th of July 2014. Both Katie and the boys are doing really well and Katie is hoping to be back at the practice in the New Year. We would like to say a big thank you to Helen Targar who is covering for Katie while she is off on maternity leave.
